Courses Winds — Remarks Saturday July the 14th

S E to W S W — Commences a fresh breeze and foggy all sail set at 4 A.M. Tackel over the main hatch.

S E — At 11 the Capt. ordered all got it up, he then told the 2nd Mate to send up the empty casks he did so I then asked him if he was agoing to start the oil he told me he would see bye and bye he had ordered a hose tub and I had that brought the men brought the hose I told them we did not want the hose whereupon the Capt. began in this style Damd if I will get ready for starting the oil I told him I then knew what he ought when he says you mean good for nothing thing which so excited me that I called him some hard names said more perhaps than I had ought to have done but in a passion He has compelled me off of duty & I do not wish to return to duty again as things now is E W Chase

1864

July 14th this day begins with light Wind S W Steering to the Eastward towards the S & Sulf at about 7 A.M. I E Landers master of Ship C W Morgan ordered all tackle over the main hatch told Mr Eastman second mate to send up all the empty casks I then told the Mate Mr Chase to get the hose tub & hose. I then went down in to the hold soon after he Chase asked me if I wanted the Oil unleashed I answered him as he is in the habet of answering me I suppose he shall he then told the men not to bring the hose I then told him that as he knew as well as I did what I wanted to do he then Charles W Chase Sez to me God Dam you no I don't & some other words that I

Wm Allen is off duty

that I don recollect I then told him to go to his room he sed I wont I want to Shit first he would go when he got ready Kiss My Ass I told him if he did not go to his room I would put him in irons if there is men enough in the Ship I told him he Should never do any more duty on board of this Ship this to gether with many other things on the voyage from less then a month from home up to the present time April the 18 or 19 th in the morning I Scolded about the mate being so much Case & dent on deck & he Chase took it up when I had not Said a word to him I told him I would do as I was a mind to & help him Self if he could he told me he Hoped to Jesus Christ there would never another Whale Come alongside of this Ship. that he believed that I would rather not se a Whale Come alongside of this Ship. this is the truth So help me God I never in all my going to Sea Used Such language I used to a Master of a Ship & he men take up Such little things
